

25134 Rye Canyon Loop Suite 300
Valencia, CA 91355
661-362-1390 Main

Our facility is in Valencia, CA. approximately 45 minutes from the Burbank Airport and about 90 minutes north on the 405, (which turns into the I-5 freeway) from the Los Angeles International Airport.

Driving Directions

From the North

Heading South on I-5, take Newhall Ranch Road exit (try to be in the rightmost lane by the time you reach Hasley Canyon exit).

Turn Left.

Turn Left onto Aurora Street.

Turn Left onto Kelly Johnson Parkway.

Turn Left onto Rye Canyon Loop.

Go through the guard gate and keep right at the road split. Proceed up the hill. We are the last building, on the left. Parking is available on two levels and the main building entrance to the reception area is located on the lower level under the large pedestrian bridge.

From the South

Heading North on I-5, take Newhall Ranch Road exit (stay in the rightmost lane when you pass the truck weigh station, but be careful of trucks exiting).

Turn Right.

Turn Left onto Aurora Street.

Turn Left onto Kelly Johnson Parkway.

Turn Left onto Rye Canyon Loop.

Go through the guard gate and keep right at the road split. Proceed up the hill. We are the last building, on the left. Parking is available on two levels and the main building entrance to the reception area is located on the lower level under the large pedestrian bridge.

If you have not been a visitor to building 34 in the Mann Biomedical Park, it will help to know the following:

- What you see in this picture is entrance into the **THIRD** level, which is where our offices are....but you will need to park on the **SECOND** level where you can enter the lobby through the glass double doors under the long white pedestrian walkway (bridge).
- You may ask the receptionist to call Linda Lott, my administrative assistant at 661.702.6860. Failing her availability, please ask for Kasia Bonner 661.702.6721.
- The building has a large “34” on the upper exterior wall as an address marker.
- There is landscape level signage identifying the address of the building near the parking lot entrance.
- Visitors may park in any lot or space unless a clearly visible sign at the head of the stall indicates otherwise.

Alfred E. Mann Foundation for Biomedical Engineering currently located in Building 34.
Enter around the back for reception.
